SCHOLARSHIP HANDBOOK

2011 – 2012

Welcome to the 2011-2012 edition of the EBHS Scholarship Handbook. There have been some minor changes to this edition. New scholarships are created while others are discontinued. Keep in mind that there is a lot of money out there for students, and by no means does this handbook contain all of the scholarships and awards available. It takes hard work and time to “hunt down” other scholarships, awards, and bursaries. As well, don’t feel that because your marks are not high enough you will not qualify....there are awards available for students entering particular fields of study, financial needs, etc. In addition, please check with your parents to see if their employers offer any scholarships. Many do!

If you are interested in applying for some of these scholarships please complete the form on the next page and submit it to your counselor. Please note that many scholarships need to be applied for online, or by writing directly to the award’s sponsor.

I encourage you to apply for as many scholarships as you can. Good luck with your studies this year and happy scholarship hunting.

Mr. S. Wihnan, M.Ed.
Counsellor / Teacher
